### Awards Application -Essay Component

Please attach an essay telling the BT in your own words to answer the questions below in at least 1500 words. The essay is divided into 3 distinct parts-

#### **Part 1: Introduction of oneself**

Tell us who you are. Describe your family. Give us your background. Describe who or what has been the greatest motivating factor on your life and tell us what effect it has on you. Tell us what obstacles, difficulties, circumstances have you encountered and how you dealt with them and the effect they had in your life.

#### **Part 2: Goals or Objective**

In college or university what program have you selected for yourself? Tell us the reason for your choosing this career and explain what you think it will do for your life. What are your career plans and how do you think this chosen path will affect other people?

#### **Part 3: Please tell us your views of the following**

1. What is of the greatest importance in your life?
2. In your chosen career, how high do you expect to achieve?
3. If successful, what will it mean to you?
4. What would you say it would take for you to be successful?
5. Give us examples of four successful people you admire and why do you admire them?
6. Please give us an example of a toughest decision you have ever made (or will be making). Tell us why you chose the decision you ultimately picked (or will pick).
